

We are pleased to invite you to this seminar taking place on the 6th of April in Amsterdam, with the unique theme “Up to 16-page production”. A series of didactic presentations and a visit to a production site will show you what you can expect from Komori as a total solution provider.

Join us and discover the overall performance of the new Komori Lithrone G37 and its capability to run cost efficient and diverse commercial jobs up to 16-page production.

We look forward to welcoming you at our Printology G37.
